Dear Parents and Guardians,

The Standish-Sterling Community School District is pleased to announce the implementation of Family Access by Skyward. Family Access is a secure internet-based website that will allow you to easily keep track of nearly everything your student does while at school. Among other things, this new service will allow you to view your student's attendance, grades, schedule, progress, assignments, and emergency information. Family Access is provided by Standish-Sterling Community Schools as a free service and will be available to all parents with children enrolled in the district.

In order for you to begin using Family Access, you will need to register for a login and password. By signing and returning the attached form, you are authorizing the Standish-Sterling Community School District to provide you with your unique login and password.

We are very excited about how Family Access will help you stay informed about your student's progress and hope that we can use this tool to create a stronger relationship between parents and our school community.

If you have any questions or concerns, please contact Ken Adrian at (989) 846-3674 or at kadrian@sscsd.org.

Please fill in the appropriate information below for each parent and/or guardian who would like to have a username and password assigned to them so they can view their student's information, grades and progress in Family Access. Parents and/or guardians of the same student(s) can share the same login and password if desired. If the spaces below are insufficient to accommodate your family, please email all of the information below to the following:

Ken Adrian at kadrian@sscsd.org

We also want to remind everyone that this is a free service, so please do not send any money.
